U.S. EPA Region 10
Docket No. CERCLA-10-2012-0120

Proceeding Under Section 106(a) of the
Comprehensive Environmental Response,

§ 9606(a); and Section 7003(a) of the
Resource Conservation and Recovery Act,

SUSPENSION

The United States Environmental Protection Agency ("EPA") issued a *Unilateral Administrative Order for Removal Response Action* ("Order") in this matter to the above-named Respondents on April 12, 2012. For good cause shown, EPA issued *Revision One* to the Order on May 1, 2012, thereby extending the effective date of the Order to May 18, 2012. Today, EPA and Respondents entered into an *Administrative Order on Consent* in *Docket No. CERCLA-10-2012-0141*. Under that administrative agreement, Respondents are to provide funding to be used by EPA for the performance of certain response actions at the Avery Landing Site. Given this development, EPA is hereby holding the Order in suspension and abeyance, and will continue to do so until such time as EPA determines it is necessary to do otherwise.

IT IS SO ORDERED
